Certificate No: 1942-CPR-44-0618-14-01

Date of Issue: 16-07-2018

Construction Product Regulation 305/2011/EU**CERTIFICATE OF CONFORMITY OF THE
FACTORY PRODUCTION CONTROL**

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction products:

Structural Steel Components and Fabrications

made of Steel intended for structural use.

produced by

Earnshaw Engineering Ltd.

3 Shaftesbury Close,
West Moors,,Ferndown,
Dorset,
BH22 0DZ

in the manufacturing plant at:

Unit 2, Barton Park Industrial Estate
Eastleigh
SO50 6RR

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standards:

EN 1090-1:2009+A1:2011

Product Type and Execution Class	Method Of Declaration
Load bearing Structural Steel components up to and including Execution Class 2.	Design method 3a of Table A.1 in BS EN1090-1

under system 2+ are applied and that

the factory production control fulfils all the prescribed requirements set out above

This certificate was first issued on 16th July 2018 and will remain valid until 15th July 2021 as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly

Manager
P White

Construction Product Regulation 305/2011/EU**WELDING CERTIFICATE**

This welding certificate is issued as an appendix to the associated Certificate of Factory Production Control issued in accordance with EN1090-1:2009+A1:2011 Table B.1 and therefore in compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction products:

Earnshaw Engineering Ltd.

3 Shaftesbury Close,
West Moors, Ferndown,
Dorset,
BH22 0DZ

in the manufacturing plant at:

Unit 2, Barton Park Industrial Estate
Eastleigh
SO50 6RR

This certificate attests that the above factory and welding plant meet the necessary factory production control requirements as regards equipment and personnel described the standards:

EN 1090-1:2009+A1:2011 and EN1090-2:2008

Execution Class	Up to and including EXC2
Welding Processes	135 MAG – Metal Active Gas
Base Materials	Materials with a specified minimum design yield up to and including S355K2N according to BS EN 10025
Responsible Welding Coordinator(s)	Mr Dominic Moran

This certificate was first issued on 16th July 2018 and will remain valid until 15th July 2021 as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.
